Positive institutional accreditation of Dania Academy

On 12 March 2024, the Accreditation Council granted Dania Academy a **positive institutional accreditation**, cf. section 8 of the Accreditation Act¹.

A positive institutional accreditation means that the institution can make adjustments to existing study programmes and local provisions of study programmes, cf. section 9(1) of the Accreditation Act. The institution can also establish new study programmes and new local provision of study programmes when they have been pre-qualified and approved, cf. sections 9, 18 and 21 of the Accreditation Act.

The accreditation is valid until and including 12 March 2030, cf. section 9 of the Accreditation Act.
