**Chairman of the Management Board  
Joint-Stock Company “Research Institute of  
Cardiology and Internal Diseases”  
R.M. Tuleutayev**

**Dear Rustem Tuleutayev,**

By this letter, the Non-Profit Organisation “Eurasian Centre for Accreditation and Quality Assurance in Higher Education and Health Care” (hereinafter referred to as ECAQA) informs you of the decision of the Accreditation Council dated 25 December 2025, Minutes No. 9, to accredit the residency educational programme in the specialty 7R01109 “Cardiac Surgery (Adult, children)” of the Joint-Stock Company “Research Institute of Cardiology and Internal Diseases” for a period of five (5) years, from 25 December 2025 to 24 December 2030.

Together with this letter, we are sending the Certificate of Specialised Accreditation in three languages (Appendix 1) and the Report of the External Expert Commission of ECAQA with recommendations for improvement (Section 5) for review and verification of technical errors only (Appendix 2).

The Report of the External Expert Commission and the decision of the Accreditation Council will be published in the Database of External Quality Assurance Results (DEQAR) and in the Database of Asia-Pacific Quality Assurance Results (DAQAR). As a full member of the European Association for Quality Assurance in Higher Education (ENQA), ECAQA, in accordance with the requirements and implementation of the mandatory parameters of the Bologna Process, officially publishes the full version of the Report of the External Expert Commission of the accreditation agency.

The full version of the Report of the External Expert Commission, the decision of the ECAQA Accreditation Council, and the Certificate of Accreditation of the Residency Educational Programme of the Research Institute of Cardiology and Internal Diseases will be published on the ECAQA website in the “Reestr” section: <https://www.ecaqa.org/en/reestr-en>.

Post-accreditation monitoring, in accordance with the accreditation process, shall be carried out by ECAQA for five years until 2030 and shall include:

preparation of the document “Action Plan for the Implementation of the Recommendations of the ECAQA External Expert Commission for the period 2026–2030” and submission to ECAQA of the original approved plan by 31 January 2026

(template in Appendix 2);

submission to ECAQA by 25 December of each year, starting from 2026 and ending in December 2030 inclusive, of the annual report “Report on the Implementation of Improvement Measures” in accordance with the recommendations of the ECAQA External Expert Commission for the respective year (template in Appendix 3).

The report shall be prepared in tabular form, in accordance with the action plan, and shall include the date of implementation, information on the implementation of corrective measures, and evidence of their implementation (document references, etc.). When submitting the report, the Research Institute of Cardiology and Internal Diseases shall compile the relevant appendix containing approved copies of supporting documents. The report shall be approved and endorsed by the Director of the Research Institute of Cardiology and Internal Diseases or a duly authorised representative.
