Re: Accreditation Decision

Dear Thomas and Birgit,

The ECTE Accreditation Commission (AC) in its session on January 24, 2023, granted **institutional re-accreditation** and **programme re-accreditation** for

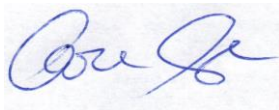

- QF-EHEA Short Cycle - EQF level 5 programme (120 ECTS) called BSK-L Programme, practice-oriented
- QF-EHEA First Cycle - EQF level 6 programme (180 ECTS) called BSK-XL Programme, practice-oriented

Accreditation is valid until January 23, 2028, at which time the next cyclical review must be completed.

The ECTE website directory will be updated accordingly within the next few days.

Please do not hesitate to contact me as questions arise.
