Re: ECTE Accreditation Decision

Dear Valentyn and Team!

The ECTE Accreditation Commission (AC) in its session on May 14, 2024, granted **provisional institutional accreditation to Tavriski Christian Institute**.

Transfer of programme accreditation was also granted for the following programme:

EQF/ISCED Level	QF-EHEA Cycle	ECTS-Points	Name in the language of delivery as advertised	ICETE-level	Delivery mode
Level 6	First Cycle	240	Бакалавр богослов'я (Bachelor of Theology)	Bachelor	residential

Provisional accreditation means that the institution and its programme have successfully met the transferred accreditation procedures as outlined in the [Guidelines for Interagency Accreditation](#) (see "Transferred Accreditation").

Both provisional institutional and programme accreditation are valid until May 14, 2026 (maximum of two years from AC decision) at which time a full review based on all ECTE *Standards & Guidelines* must be completed. We have already received your request for an ECTE review in 2025.

The ECTE website directory will be updated accordingly within the next few days.

Please find attached the accreditation certificate for your programme. Once the DEQAR displays ECTE accredited institutions we will provide you with an updated version which will include your DEQAR identifier.

In the next few weeks you will receive a request for your first Annual Progress Report (APR). This includes information on the number of students in your programme for statistical and invoicing purposes. The membership fee paid in 2024 will be credited against the invoice forthcoming.

Please do not hesitate to contact me as questions arise.

Serving Him with you,

Carmen Crouse
Accreditation Director
