Re: Decision by ECTE Accreditation Commission

Dear Daniele!

The ECTE Accreditation Commission (AC) in its session on November 19, 2024, considered institutional and re-accreditation of your two programmes under review.

The deliberations related to two requirements suggested by the Visiting Evaluation Team and confirmed by the AC in the September 16, 2024, session. This follows the on-site visit in May 2024 and compliance decisions were made based on the Final Review Report and your additional representation submitted in October 2024.

The ECTE AC members unanimously found that IBEI has complied fully to the given requirements.

The AC **unanimously granted institutional re-accreditation** for the 5-year-period from September 16, 2024, until September 15, 2029, along with programme re-accreditation for the following programmes:

EQF/QF-EHEA	Name of qualification used by IBEI	ECTS	ISCED Level	ICETE Level	Delivery Mode
EQF 5 / Short Cycle (partial)	<i>Certificato di teologia</i>	60	5 (partial)	Certificate	Full-time in residence, part time DE with Extension Sites, full-time DE/OE and part-time DE/OE.
EQF 6 / First Cycle (P)	<i>Diploma di teologia</i>	180	6	Bachelor	Full-time in residence, full-time DE/OE.

Congratulations to you and your team for this accomplishment!

Please see the Final Review Report for the recommendations issued by the Visiting Evaluation Team and confirmed by the Accreditation Commission. The Accreditation Commission requests that responses to recommendations be included in the Annual Progress Reports (APR) starting in 2025.
