1. The Register Committee considered the Substantive Change Report of 2024-08-21.
2. The Register Committee noted that EAEVE has strengthened its follow up procedures - now all EAEVE Veterinary Education Establishments (VEEs) members must send an interim report to the EAEVE Office three years and five years after the Full Visitation.
3. The Committee also took note of the changes in the Standards of operations and procedures (SOP 2023) which now require that the VEEs who have been accredited with Minor Deficiencies are expected to submit an additional Interim Report to the EAEVE Office one year after the Full Visitation focusing on the correction of the Minor Deficiencies.
4. The Register Committee took note of these changes. Based on the information provided in the Substantive Change Report, the Register Committee had no concerns that EAEVE remains compliant with the ESG.
