Context	By the order No. V-52 of the Director of SKVC both methodologies - for conducting ex-post study programmes evaluation abroad and ex-post institutional review abroad were abolished on 16 June 2026. The last time both types of procedures were conducted was in 2022 (the year of our last external review by ENQA). We are currently working on the new external quality assurance model for Lithuania and wish our approaches abroad be aligned with the new model, also aligned with the revised ESG. Thus, we currently abstain from offering services to foreign HEIs.
