**Dayirbekov S.S.**

*Dear Serik Sansyrbayevich!*

The Independent Agency for Quality Assurance in Education (IQAA) informs that according to the meeting of the Accreditation Council held on May 25, 2019, there was a decision made in relation to the university headed by you:

**1. Accredited for full term (5 years) taking into account conditional accreditation (from 27.05.2019-27.05.2021).**

**Term of conditional accreditation is 3 years (31.05.2016-01.06.2019)**

In accordance with the European standards and guidelines for quality assurance for higher education institutions (ESG) and the Guidelines of IQAA on institutional initial accreditation (subsequent procedures), the Agency has been conducting post-accreditation monitoring of the activities of the educational organization for 4 years.

The university must provide the Agency with an Action Plan for the implementation of the recommendations and elimination of comments for the post-accreditation period, and also annually submit to the Agency a report on the achievements and changes that have occurred over the year.

The first written report on the implementations of the Accreditation Council's recommendations must be submitted to the Agency by April 24, 2020.

Sholpan Kalanova  
President of Independent Agency for Quality  
Assurance in Education (IQAA), Professor, Dr.Sc.
