Accredit following educational programs for a period of 2 years with condition:

5B01200-Professional education
5B070300-Informational systems

In accordance with the European standards and guidelines for quality assurance and Guidelines of Agency on specialized accreditation (subsequent procedures), the Agency has been conducting inspection on the activities of the university on the development of the educational programs that passed initial accreditation. The university must annually submit to the Agency the report on achievements and changes that occurred in one year to support the quality of education on the basis of Agreement on post-accreditation monitoring.

The first written report on the implementation of the recommendations within specialized accreditation must be submitted to the Agency by April 20, 2019.

Annex: Remarks and areas of improvements are on 31 pages.

Sholpan Kalanova
President of Independent Agency for Quality
Assurance in Education (IQAA), Professor, Dr.Sc.
