Dear Bulat Zharylgapovich!

The Independent Agency for Quality Assurance in Education (IQAA) informs that according to the meeting of the Accreditation Council held on May 13, 2017, there was a decision made in relation to the educational programs of the university headed by you:

Accredit following educational programs for a period of 5 years:

1. 5B072900 – Construction
2. 5B090100 – Organization of transportation, traffic and operation of transport
3. 5B070900 – Metallurgy
4. 5B072400 - Technological machines and equipment

In accordance with the European Standards and guidelines for quality assurance (ESG) and Regulations of the Agency on specialized accreditation (subsequent procedures), the Agency has been conducting post-accreditation monitoring of the activities of the educational organization for 5 years. The university must annually submit to the Agency a report on the achievements and changes that have occurred over the year in maintaining the quality of education on the basis of an agreement on post-accreditation monitoring.

The first written report on the implementations of the areas of improvements of the Accreditation Council must be submitted to the Agency by April 13, 2018.

Appendix: 7 pages.
