Dear Abdilmalik Argynovich!

The Independent Agency for Quality Assurance in Education (IQAA) informs that according to the meeting of the Accreditation Council held on March 27, 2021, there was a decision made in relation to the university headed by you: accredit the following educational programs for a period of 5 years until June 10, 2023 with the term of conditional accreditation: 5B010700 Fine arts and drafting, 5B010800 Physical education and sport.

For the further sustainable development of the quality of education, work should be carried out in accordance with the comments and areas for improvement formed by the external expert group:

-Lack of academic mobility of students to other universities in the country in the areas of educational programs

-Low publication activity of teaching staff on accredited educational programs in high-ranking journals

-Regular updates of the content of the site for educational programs

The Agency thanks you for cooperation and wishes the further effective work and new achievements.

Sholpan Kalanova
President of Independent Agency for Quality
Assurance in Education (IQAA), Professor, Dr.Sc.
