*Dear Nurlan Khabibullovich!*

The Independent Agency for Quality Assurance in Education (further - Agency) informs that according to the meeting of the Accreditation Council held on May 27, 2017, there was a decision made in relation to the educational programs of the university headed by you:

**1. Accredited following educational programs for full term (5 years):**

1. 6D120200 – Veterinary sanitation
2. 6D120100 – Veterinary medicine

**2. Accredited following educational programs within initial accreditation:**

1. 6D080100 – Agronomy
2. 6D080600 – Agrarian techniques and technology
3. 6D080800 – Soil science and agrochemistry
4. 6D073000 – Production of construction materials, products and constructions
5. 6D080200 – Livestock products technology

In accordance with the European standards and guidelines for quality assurance (ESG) and Guidelines of the Agency on institutional accreditation (subsequent procedures), the Agency has been conducting post-accreditation monitoring of the activities of the educational organization for 5 years.

The University must provide annually the Agency with the report on the achievements and changes that have occurred over the year to support the quality of education on the basis of the Agreement on post-accreditation monitoring.

For educational programs that were accredited initially, an audit is carried out annually with a visit to the university.

The first written report on the implementations of the Accreditation Council's recommendations must be submitted to the Agency by April 27, 2018.

*Annex:* Remarks and proposed areas of improvements are on 4 pages.
