Dear Dariya Perneshovna!

The Independent Agency for Quality Assurance in Education (IQAA) informs that according to the meeting of the Accreditation Council held on May 27, 2017, there was a decision made in relation to 110 educational programs (Annex 1) of the university headed by you:

Accredit for full term (5 years).

In accordance with the European standards and guidelines for quality assurance (ESG) and Guidelines of IQAA on specialized accreditation (subsequent procedures), the Agency has been conducting post-accreditation monitoring of the activities of the educational organization for 5 years. In this regard, the college must provide the Agency with an Action Plan for the implementation of the recommendations and elimination of comments for the post-accreditation period, and also annually submit to the Agency a report on the achievements and changes that have occurred over the year.

The first report on the implementation of the recommendations of Accreditation Council must be submitted to the Agency by February 28, 2020.

Annex: Remarks and areas of improvement are on 22 pages.
