Positive institutional accreditation of the Copenhagen School of Marine Engineering and Technology Management

On 2 October 2019, the Accreditation Council granted the Copenhagen School of Marine Engineering and Technology Management **a positive institutional accreditation**, cf. section 8 of the Accreditation Act¹.

A positive institutional accreditation means that the institution can make adjustments to existing study programmes and local provisions of study programmes, cf. section 9(1) of the Accreditation Act. The institution can also establish new study programmes and new local provision of study programmes when they have been pre-qualified and approved, cf. sections 18 and 21 of the Accreditation Act.

The accreditation is valid until and including 2 October 2025, cf. section 9 of the Accreditation Act.
