**Re: Micro-Credential Provider (MCP) Accreditation granted by the ECTE Accreditation Commission**

Dear Colleagues!

The initial deliberation by the ECTE Accreditation Commission (AC) took place on September 16th. Subsequently, the AC, in its session on October 21, 2025, considered the additional representation submitted in September 2025 for the initial review of ETS as a Micro-credential Provider.

The AC **granted MCP accreditation** to the European Theological Seminary e.V. (ETS). This encompasses micro-credentials at EQF 6 Level (First Cycle).

Based on the additional representation, the AC found ETS in compliance with the suggested requirements as follows:

**MCP 2:** Design a micro-credential curriculum map that specifies at least one micro-credential along with corresponding QF-EHEA and other outcomes.

Please refer to the [Final Review Report](#) for the commendations and recommendations suggested by the Visiting Evaluation Team and confirmed by the Accreditation Commission. Please include your responses to recommendations in the [Integrative MCP Compliance Report](#) to be submitted following a complete cycle of at least 3 micro-credentials, or normally not beyond one year from accreditation being granted, and via subsequent Annual Progress Reports.

The MCP Accreditation Certificate is attached to this letter. [European Theological Seminary](#) will be listed in the ECTE MCP review directory on the website. Please refer to the "[Understanding the Directory](#)" information for details. Your identification number for the Database of the European Quality Assurance Register is [DEQARINST7494](#). The ECTE website directory and your DEQAR entry will be updated shortly.

The first cyclical review of the MCP accreditation must be completed no later than September 15th, 2030 – please contact us early in 2029 to look at an initial timeline for your next cyclical review.

**Congratulations to you and your entire team on this successful review!**

Please do not hesitate to contact me as questions arise.

Cordially in Christ,

Carmen Crouse  
Accreditation Director
