1. The Register Committee considered the Substantive Change Report of 2024-03-25.
2. The Register Committee noted that in 2022, ACSUG established the Review Committee - an independent body responsible for appeals on decisions made by the Galician Committee on Reports, Verification, Certification, and Accreditation (CGIACA).
3. The Committee took note of the change and further underlined that ACSUG should have submitted a change report when the new appeal committee was set.
4. Given that the appeals' set-up was already in place at the time of the site visit within the ongoing review of the agency, the Register Committee expects that the new procedure was analysed in full by the panel. Should this not be the case, the Register Committee will inquire for further information from the agency.
