

**The accreditation process of the Basic Medical
Programme of the Faculty of Medicine Foca,
University of East Sarajevo based on the global
requirements of the World Federation for Medical
Education (WFME)**

Decision of the Board of the Hungarian Accreditation Committee (MAB) No. 2025/4/XIV

Ref. No.: MAB/208-2/2025

As a result of the WFME 2020 (World Federation for Medical Education) standards-based accreditation process, MAB accredits the basic medical programme of the Faculty of Medicine Foca, University of East Sarajevo; the accreditation of the programme – provided that it continues to meet the accreditation standards – is valid for 8 years, until 10 July 2033, with an interim monitoring procedure combined with a site visit to be conducted by 31 December 2029. The monitoring process shall primarily examine the institutional measures taken on the basis of the recommendations of the accreditation report and their effectiveness.

Based on the WFME 2020 (World Federation for Medical Education) standards, the basic medical programme of the Faculty of Medicine Foca, University of East Sarajevo is

- compliant with the minimum criteria (educational programme, selection of academic staff, admission and selection of students, educational infrastructure, clinical training resources, structure and organisation, organisational units supporting the operation of the medical school and its educational and academic activities),
- partially compliant with the quality assurance processes (mission statement, development and review of the educational programme, quality assurance of assessment, quality assurance),
- compliant with the support processes (educational methods used to deliver the educational programme, system of assessment, student support system, performance, training, and development of academic staff).

Budapest, 10 July, 2025

Dr. János Ede Szilágyi
President of MAB
